Good Morning Gary,  
We are working with our attorney on many items as it pertains to 31 N. Washington. He has indicated that for now we are not to issue permits on this site. I will let you know when I have more information.  
Joe

**Subject:** Deja Vu Floor Plan Review

Joe,  
I inquired on the status of the revised floor plan for review from our project at 31 N. Washington Ave. I spoke to the building official Kurt and he referred me to you in an email.  
We were told by the clerk when we submitted the plans on 1-22-2021, that we would receive comments back in one week  
Can you provide us an update on your review?  
Thank you for your time
